Part 1 Preliminary

1 Short title

This subordinate local law may be cited as *Subordinate Local Law No. 2 (Animal Management) 2012*.

2 Purpose and how it is to be achieved

- (1) The purpose of this subordinate local law is to supplement *Local Law No. 2 (Animal Management) 2012*, which provides for regulation of the keeping and control of animals within the local government's area.
- (2) The purpose is to be achieved by providing for—
 - (a) the circumstances in which the keeping of animals is prohibited or requires approval; and
 - (b) requirements for keeping animals, including minimum standards, mandatory desexing, proper enclosures, koala conservation and identification; and
 - (c) the control of animals in public places; and
 - (d) matters regarding the impounding of animals and the sale or disposal of impounded animals; and
 - (e) the conditions to be complied with by persons who offer animals, or a particular species of animals, for sale; and
 - (f) the declaration of a species of animal as a declared dangerous animal and the criteria for declaration of a specific animal as a declared dangerous animal.

3 Authorising local law

The making of the provisions in this subordinate local law is authorised by *Local Law No. 2 (Animal Management) 2012* (the **authorising local law**).

4 Definitions

- (1) Particular words used in this subordinate local law have the same meaning as provided for in the authorising local law.
- (2) The dictionary in schedule 13 defines particular words used in this subordinate local law.

Part 2 Keeping of animals

5 Circumstances in which keeping animals prohibited—Authorising local law, s 5(1)

For section 5(1) of the authorising local law, keeping an animal or animals mentioned in column 1 of schedule 1 is prohibited in the circumstances described in column 2 of schedule 1.

6 Circumstances in which keeping animals requires approval—Authorising local law, s 6(1)

For section 6(1) of the authorising local law, keeping an animal or animals of the species or breed mentioned in column 1 of schedule 2 requires approval in the circumstances described in column 2 of schedule 2.

7 Animals that must be desexed—Authorising local law, s 7

For section 7 of the authorising local law, an animal of the species or breed mentioned in column 1 of schedule 3 must be desexed once it reaches the age specified in column 2 of schedule 3 except in the circumstances described in column 3 of schedule 3.

8 Minimum standards for keeping animals—Authorising local law, s 8(1)

- (1) For section 8(1) of the authorising local law, the minimum standards for the keeping of animals are set out in schedule 4.
- (2) For section 8(1) of the authorising local law, column 2 of schedule 5 sets out the minimum standards for keeping an animal of the species or breed mentioned in column 1 of schedule 5.

9 Identification for cats and dogs in certain circumstances—Authorising local law, s 9

For section 9 of the authorising local law, the identification required for a cat or dog that is at a place other than the address stated in the registration notice for the cat or dog is the registration device mentioned in section 12(3) of the *Animal Management (Cats and Dogs) Act 2008*.

Part 3 Control of animals**10 Public places where animals are prohibited—Authorising local law, s 10(1)**

For section 10(1) of the authorising local law, the species or breeds of animals mentioned in column 2 of schedule 6 are prohibited in the public places described in column 1 of schedule 6.

11 Dog off-leash areas—Authorising local law, s 11(1)

For section 11(1) of the authorising local law, the areas described in schedule 7 are designated as dog off-leash areas.

12 Animal faeces in public places—Authorising local law, s 13

For section 13 of the authorising local law, no other animals are prescribed as animals whose faeces must be removed from a public place and disposed of in a sanitary way.

13 Requirements for proper enclosures for keeping animals—Authorising local law, s 14(2)

For section 14(2) of the authorising local law, column 2 of schedule 8 sets out the requirements for proper enclosures for an animal of the species or breed mentioned in column 1 of schedule 8.

14 Koala conservation—Authorising local law, s 15

- (1) For section 15(1) of the authorising local law, schedule 9 sets out the requirements for keeping a dog on land that is within a koala area.
- (2) For section 15(4) of the authorising local law, each area described in schedule 10 is designated as a koala area.

15 Criteria for declared dangerous animals—Authorising local law, s 19(1)

For section 19(1) of the authorising local law, the criteria for declaring an animal

as a declared dangerous animal are set out in schedule 11.

Part 4 Seizure, impounding or destruction of animals

16 Place of care for impounded animals—Authorising local law, s 24

For section 24 of the authorising local law, the place of care for animals impounded by the local government will be operated by the local government.

17 Animals that may be disposed of without auction or tender—Authorising local law, s 32(1)(b)

For section 32(1) (b) of the authorising local law, the species, breeds or classes of animal that may be sold by private agreement, destroyed or disposed of in some other way are the following—

- (a) dogs;
- (b) cats;
- (c) birds;
- (d) emus;
- (e) small domestic animals;
- (f) ostriches.

18 Register of impounded animals—Authorising local law, s 33(3)

For section 33(3) of the authorising local law, the register of impounded animals will be kept at the local government's public office.

Part 5 Appeals against destruction orders

This part in the authorising local law does not contain any matters to be provided for by subordinate local law.

Part 6 Miscellaneous

19 Conditions regarding sale of animals—Authorising local law, s 42(1)

For the purposes of section 42(1) of the authorising local law, persons who offer for sale an animal of a species or breed mentioned in column 1 of schedule 12 must comply with the conditions set out in column 2 of schedule 12.

Part 7 Dictionary

	Column 1 Species or breed of animal	Column 2 Requirements for proper enclosures
	All Animals	<ul style="list-style-type: none"> The owner of an animal must provide a proper enclosure to contain the animal on the owner's premises. A proper enclosure — <ul style="list-style-type: none"> (a) is an area of land on the owner's premises that is suitably fenced and effectively encloses the animal on the land at all times other than when the owner allows the animal to leave the land under effective control; and (b) must be of sufficient dimensions having regard to the species, breed and size of the animal; and (c) must contain adequate shelter for all animals kept in the enclosure. A proper enclosure is suitably fenced if — <ul style="list-style-type: none"> (a) it is fully surrounded by a fence comprised of strong and firm materials and designed and constructed in such a way as to prevent the enclosed animal escaping from the enclosure over, under or through the fence; and (b) a part of a building or structure forms a section of the enclosure and does not have any openings through which the enclosed animal may escape from the enclosure; and (c) a gate forms a section of the enclosure and the gate is kept closed and latched at all times other than when a person is effecting immediate entry to, or exit from, the enclosure.
1	Dogs	<ul style="list-style-type: none"> If the dog is a climber, the fence or enclosure must be constructed in such a way as to prevent the dog from climbing over the fence. If the dog is a digger, a barrier must be installed directly below the fence or enclosure which is adequate to prevent the dog digging its way out.

2	Guard/Security Dogs	<ul style="list-style-type: none"> • A guard/security dog must be kept behind a secure fence or enclosure which is adequate to prevent the dog from escaping and which is constructed to a standard approved by an authorised officer. • An approved warning sign must be clearly displayed adjacent to each entrance to any property where a guard/security dog is being kept or used. The sign shall prominently and permanently display in lettering not less than 50mm in height on a background so as to be readily legible the following words— “BEWARE – GUARD/SECURITY DOG ON PREMISES” • A guard/security dog must be confined in a secure enclosure at all times when the public has access to the property where the guard dog is being held or used.
