HOW ARE APPLICATIONS ASSESSED?

The high demand for funding under the Central Highlands Regional Council's Community Grants Program will mean that not all grant applications can be approved. Although an application may meet the assessment criteria, approval will depend on available funds and the number and quality of applications. Please see each category (Community Assistance Grant or Sport and Recreation Assistance Grant or Community Improvement Grant) for individual selection criteria.

All funding submissions will be assessed against the selection criteria by the assessment panel. In general, the assessment is a formal process, which consists of independent community members, councillors and specialist council staff with recommendations endorsed by council at a council meeting.

All applicants will receive written notification of their applications outcome. Successful applications will also be acknowledged on council's website for public viewing.

HOW ARE APPLICATIONS ACQUITTED?

It is expected that successful applicants will:

- Complete and return their letter of acceptance;
- Commence the approved program, project and/or activity utilising the funds for the purpose for which they were granted;
- Finalise the payment of invoices/expenses associated with the approved program, project and/or activity;
- Complete and return the Acquittal Form to Council within the six (6) month timeframe. The Acquittal form must be accompanied by copies of invoices, proof of payment (receipts/paid invoices/nil statements), project summary and other associated supporting material.
- If an application is successful but the club is not in the financial position to pay for the project in full upfront, please contact a Community Grants Officer to discuss alternative arrangements.

If the grant remains unacquitted, the grant recipient will be made ineligible to apply for future council sponsorship for a period of at least three years.

Upon receipt of completed acquittal forms and associated documentation Council will reimburse the approved amount to the successful organisation/group. In a case of variation to the program, project or activity and/or amounts quoted additional advice from Council will need to be sought.
