

Housing Alert Blackwater

Central Highlands (QLD) Housing Company Pty Ltd

WHAT IS AFFORDABLE HOUSING

Affordable housing is designed to help working individuals and families who may be in 'housing stress' within the private market.

WHO WE ARE

The Central Highlands (Qld) Housing Company is a not-for-profit organisation established to provide a local response to critical housing needs in our region.

WHAT WE DO

Invest in our communities

Our aim is to enable key workers and their families to live affordably in our towns.

We provide

Long-term housing solutions for workers and working families.

Our target

Workers and working families who want affordable, secure and appropriate housing

Supported by the Central Highlands Regional Council, our activities are strategically focussed and seek to promote choice and better access to housing in the Central Highlands.

We strongly believe the availability of a suitable range of housing contributes to our community's ability to function in an efficient, equitable, prosperous and sustainable way.

Our affordable housing will help build a vital, liveable and successful community.

PURPOSE

- To give local people long term affordable housing options.
- To work with community groups and local businesses to respond to housing issues in your town.
- To link and partner with industries and government to get the best housing outcomes.

WHAT IS A KEY WORKER

A key worker is someone who provides a vital service such as:

- Nurses
- Teachers
- Healthcare
- Childcare
