

Community Grants Program Assessment Panel Member Nomination Information

Thank you for your interest in being a part of the Community Grants Assessment Panel

What is the Community Grants Program?

The aim of the Central Highlands Regional Council's Community Grants Program is to provide assistance to local community groups/organisations in making positive contributions to the quality of life in the local government area.

Grants are available to:

- Develop the capacity and sustainability of organisations/groups or to develop innovative programs to meet the needs of members and the community.
- Support the acquisition or upgrading of facilities and equipment.

There are three grant categories:

- Community Assistance Grants – maximum \$5,000
For organisations with a community focus. Their main objective is to provide community benefit (outside of sport and recreation activities).
- Sport and Recreation Grants – maximum \$5,000
For organisations where the objective is to provide organised sport and recreation activities.
- Community Improvement Grants – maximum \$20,000
For both community focus organisations and sport and recreation organisations with a focus on completing aspirations of the community

Council is also considering the inclusion of a fourth Community Events category in the 2022-23 financial year.

Two grant rounds are run each year - Round One closing at the end of February and Round Two closing at the end of August. Applications are reviewed by the Assessment Panel, who then provide a recommendation to council for decision.
