Eligibility Checklist: Professional / Emerging Professional Artists

A separate Eligibility Checklist must be completed by each artist who will be paid salaries, fees or allowances from the RADF grant.

The purpose of the RADF Program is to support professional and emerging professional artists and artswriters (artists) to practise excellent art for and with communities for mutual development.

This checklist has been developed to ensure that the status of artists as 'professional' and 'emerging professional' is clearly identified.

Your responses to the questions below determine your status as an artist in regard to the RADF Program. You need to tick any **three** or more of the artistic merits below to qualify as an artist with a professional or emerging professional status.

If you cannot select a minimum of **three** of the artistic merits, please contact your local RADF Liaison Officer to discuss further as special consideration may be given.
