

Application for Water Meter Pressure and Flow Test

Flow and Pressure Test Fee per Test: \$337.50

Full Fee is to be paid before testing will be completed.
Allow 10 working days for results to be sent by preferred method.

The flow and pressure test includes:

- The flow and pressure test will be conducted at normal mains pressure with the reading taken after the water meter.
- The pressure recorded will be the static pressure.
- The flow rate recorded will be measured in L/min at full flow through the water meter.
- Test results will be provided to the Applicants email address.
