

Application for Water Meter Verification Test

Verification Test Fee per Test: \$623.00

The full Fee is to be paid before testing will be completed.
Allow 10 working days from when results are shared by the third-party tester to be sent to the Applicants email.

The verification test includes:

- The accuracy of the water meter reading being tested by a third-party tester.
- Another water meter installed while the water meter is being tested.
- Test results will be provided to the applicant's email address. If additional action is required, a Council representative will contact the applicant through the communication methods provided.
- If the water meter is found to be reading high consumption by the third-party tester the test fee shall be refunded and recent water charges may be reviewed.
- **Replacement of the water meter may not mean it has been reading incorrectly.**
